Alberta Ladies College General Information

Parents and Guardians who, from choice or necessity, place their daughters in schools far distant from their homes, very properly wish to know the facilities and advantages with such establishments command, and their capabilities for giving the training, culture and general impress of character most desirable for young women.

The following paragraphs are written with a view to giving information in regard to our facilities for training those committed to our care.

AIMS AND IDEALS

Alberta Ladies College of Red Deer, now temporarily located in Assiniboia Hall, Edmonton South, has been founded, erected and equipped for the education of girls and young women. It is designed to be in the highest sense a Christian school of learning, combining thoroughness of instruction with wholesome and refining influences. The atmosphere of the College is that of Christian home of culture and refinement.

Our constant aim shall be to give our students such a substantial and well-ordered education as shall fit them for the duties and enjoyments of life, and enable them to make their proper contribution to the solution of its problems, domestic, social, intellectual and religious.

The College is dedicated to the cause of Christian Education and its aims and ideals are adequately enshrined in the words of the ancient writer—"That our daughters may be as corner stones polished after the similitude of a palace."

Temporarily located in Assiniboia Hall, Edmonton.

The principles of government and the courses of study are in every way fitted to secure the two-fold object of building up Christian character and insuring thorough scholarship.

LOCATION

The College, having disposed of its Building and Equipment in Red Deer, is now, through the courtesy of the University authorities, located in Assiniboia Hall, one of the buildings of the University of Alberta. Assiniboia Hall has been acquired at a certain rental per year, from the University and is admirably suited to our purposes. It is scarcely necessary to point out to parents the advantages that will accrue to the College from proximity to such a seat of learning, as well as from being located in the Capital City of the Province.

Besides the benefit of coming into an educational atmosphere, our students will have the privilege of attending University lectures and other functions, while those who contemplate the course in Arts will find the transition thereto easy and natural. In addition to all this the Capital City attracts the best musical and other talent touring the west and our students under the chaperonage of the staff will therefore enjoy exceptional advantages in this respect.

ASSINIBOIA HALL

Assiniboia Hall is one of the large University Buildings, situated on the Campus and commanding a splendid view of the City of Edmonton and the Valley of the Saskatchewan. The Building, constructed of steel frame and pressed brick, is large and commodious. It is heated by steam, lighted by electricity and provided with all modern conveniences for health and comfort. It provides accommodation for one hundred students in residence, besides quarters for the staff and the President. Bath rooms with hot and cold water are on each floor. The Class rooms are large, well equipped, well lighted and well ventilated.

Page Seven

Temporarily located in Assiniboia Hall, Edmonton.

THE GROUNDS

The University Campus and Grounds are at the disposal of our students. There are Tennis Courts, Basket Ball Courts, Foot-Ball and Base-Ball Grounds, and in addition to these our students have the privileges of an excellent Gymnasium and Skating Rink.

SOCIAL LIFE

The social side of life has an important place in all true education and the College seeks to give due attention to this aspect of its work. Social evenings will be held from time to time as well as more formal receptions. These serve the double purpose of providing recreation and giving our students experience in the manners and amenities of refined life.

RELIGIOUS PRIVILEGES

The College has been established under the authority of the Presbyterian Church in Canada, yet it is non-sectarian in its management, spirit, methods and work, the leading Protestant denominations being represented on the Board and Staff.

Students are expected to attend divine worship on Sunday morning in the churches assigned by their parents. Permission to attend service in another church must be obtained from the Lady Principal. Students will be accom-

panied by one or more of the teachers.

As will be seen in the Curriculum, special provision is made for Bible study in accordance with the general aim of the institution as a Christian school of learning. In addition to this, students are requested to attend a Bible Class on Sunday afternoon in the drawing room. A song service is also held on Sunday evening. Family prayers are conducted in the dining room each day after the morning and evening meals.

COL. JAMES WALKER
Chairman Board of Governors

PRESIDENT KEITH

MISS SARA M. McBRIDE

Lady Principal

Temporarily located in Assiniboia Hall, Edmonton.

COLLEGE SOCIETIES

An important part of a student's training is received in her contact with her fellow-students and in the College societies which meet at regular intervals. These help to develop the executive and administrative faculties and encourage confidence and self-control. All students are expected to identify themselves with the College societies.

PHYSICAL CULTURE

The closest attention is given to all matters affecting the health of the students. Several hours per day are given to rest, recreation and exercise. All students in residence must take the gymnasium work unless they furnish a written statement from a doctor that they are unable to do so. Out of doors, according to season and weather, the students will participate in tennis, baseball, basketball and other such games, besides taking a daily walk.

Arrangements are pending with prominent city physicians for a series of lectures on personal health and hygiene. It is felt that the maintenance of good health and physical strength is of first consideration and therefore the most carecareful supervision of each student in work and play will be maintained. In cases of illness we summon a physician and on account of our central situation are able to keep in close

touch with parents by wire or phone.

DRESS AND OUTFIT

The College encourages simplicity in dress. An elaborate wardrobe is unnecessary and unbecoming to student life. Dress that is a menace to health or of doubtful taste will not be permitted.

Students should be provided with warm underwear, strong walking boots with rubber heels, rubbers and overstockings, bedroom slippers and dressing gown, towels, toilet

Page Nine

Temporarily located in Assiniboia Hall, Edmonton.

soap, rain coat, umbrella, money box with lock and key. Every article of wear must be marked with name. name tapes are most satisfactory.

The Gymnasium costume consists of black bloomers and white middles with black stockings and gymnasium shoes.

ROOMS AND RESERVATIONS

Rooms in residence are reserved after application is accepted and are assigned in order of application. Students desiring to room together shall make application to Registrar stating so definitely, and as far as possible their wishes in this regard will be met. Any student not arriving on the day of opening cannot, except by special arrangement by letter or wire, retain her room if a sufficient number of students enroll to take all the available space. No student can be received in residence until the morning of the opening day, as housekeeping arrangements are not complete earlier.

MEDICAL CERTIFICATES

All candidates for admission must produce satisfactory evidence as to moral character and bring a certificate of physical health and successful vaccination. The health certificate shall be signed by the family physician. If any pupil has been exposed to contagious disease during fourteen days previous to entrance, she must bring a certificate signed by her medical attendant that all danger from infection is passed.

Parents are urged to have their daughters' eyes and teeth examined and all necessary work in this regard attended to

before sending them to school.

ROOM FURNITURE

All bedrooms are furnished with single beds, mattresses, pillows, pillow covers, sheets, blankets, coverlets, tables, chairs, bureau and clothes closets. Each student is required

Page Ten .

Temporarily located in Assiniboia Hall, Edmonton.

to bring her own napkin ring, medicine spoon and glass, two laundry bags, and all personal requirements, such as toilet soap, hand and bath towels.

Students may purchase window curtains of plain cream scrim an their arrival, or may bring the curtains hemstitched with a four-inch hem at the bottom. They will also need to supply a small pole if they wish to hang curtains on their window, as these are not supplied by the college. Length of material for a pair of curtains is about five yards.

Every room has picture moulding. Students may not drive tacks or nails into the walls or paste pictures on the walls or woodwork, but may bring rugs and framed pictures, and a comforter if they desire.

PRECAUTIONS AGAINST FIRE

The College is thoroughly equipped against fire. Fire hose under high pressure is located on each flat and fire escapes lead from each floor. Regular fire drill shall be held under the direction of the Lady Principal.

STUDENTS' COUNCIL

Emphasis is laid on the discipline of the College, in which the students themselves participate. Some of the older and more experienced girls are nominated to the Students' Council by the student body and elected by the Staff. Cases of inside discipline are dealt with by the Student Council and a recommendation made to the staff. More serious cases are dealt with directly by the Lady Principal, the Staff or the President.

Temporarily located in Assiniboia Hall, Edmonton.

General Regulations

1. All borrowing and lending of money is forbidden, and also the wearing of each other's garments.

2. Any losses of clothing, jewelry, books, etc., must be promptly reported at the office, when measures will be taken to have the property restored.

- 3. All arrangements regarding invitations to students must be made with the Lady Principal, and no student will be allowed to visit friends oftener than twice a month.
- 4. Once a week arrangements will be made for the pupils to go shopping under the chaperonage of a teacher. If any student feels that she must go oftener she must pay for special chaperonage.
- 5. All letters must be laid on the table specified where they shall be subject to inspection from the Lady Principal, and all students must furnish the College authorities a list of names with whom their parents are willing that they should correspond. Day pupils are not allowed to carry messages or letters for resident students.
- 6. No society may be formed of the students until the sanction of the President and the Lady Principal has been secured, and no money may be collected from the students without special permission and no pressure brought to bear upon the girls to subscribe to any such collections.
- 7. All requests for leave of absence must be in writing and must be sent to the Lady Principal.
- 8. Students desiring to have a friend take a meal in the dining room may do so by making request and buying a ticket for the same at the uniform rate of twenty-five cents.
- 9. Only under exceptional circumstances will students be allowed to go home during the term. A written request for permission must be sent by the parents or guardians.

Page Twelve

Temporarily located in Assiniboia Hall, Edmonton.

- 10. Pupils are forbidden to purchase anything on credit or in the name of the College.
- 11. Books and Stationery can be purchased at the College office at ordinary rates.
- 12. Every book and every exercise book must have the name of the student, and these shall be evamined from time to time by the heads of the departments, and shall be open for inspection in any class, or at any time.
- 13. Examinations shall be held regularly and a record kept of the students' progress. Promotion shall be made on the daily work of the class room, and the results of the term examinations. These reports will be sent to parents.
- 14. Students will not be allowed to answer telephone calls during class hours unless they are very urgent, and all telephoning by students must be with the knowledge and consent of the Lady Principal.
 - 15. The College colors are purple and white.

REGARDING ILLNESS

The Lady Principal shall be responsible for the health of the students, and shall report any serious cases of illness to the President, with whom she shall consult. All cases of illness where a student is not able to attend lectures or classes, or to come to the dining room for meals, shall be reported promptly, and the student shall be visited at the earliest possible convenience.

The diet of students in sickness shall be in the hands of the Lady Principal, or a nurse, if one is in charge.

All trays sent to students shalll be charged at the rate

of ten cents.

In case a doctor is called, or consulted by a student, it shall be under the supervision of the Lady Principal, and all orders of the medical adviser shall be written in the doctor's order book kept in the office for that purpose.

Page Thirteen

Temporarily located in Assiniboia Hall, Edmonton.

All medicines and extras prescribed and doctor's bills shall be charged students, and all bills due to College shall be rendered monthly by the Accountant.

In case a special nurse is ordered by the attending phy-

sician the cost shall be borne by the student.

Department of Instruction

- I. ACADEMIC—
 - 1. Junior.
 - 2. Senior.
- II. CONSERVATORY OF MUSIC.
- III. COLLEGE OF FINE ART.
- IV. COMMERCIAL DEPARTMENT.
- V. SCHOOL OF EXPRESSSION AND PHYSICAL CULTURE.

THE CURRICULUM

The Curriculum is comprehensive and affords oppor-

tunities for a broad and generous culture.

The Academic work of the Junior and Senior Departments follows closely that of the Public and High Schools of the Province, and includes also studies in the English Bible. The special departments are Music, Art, Household Science, Commercial Work, and Physical Culture and Expression.

We require from each student a certificate as to her academic standing from her last school. Also she must pass a test examination on subjects to be taken up before being assigned to classes. Following is an outline of the courses

offered.

Arademic

l. JUNIOR DEPARTMENT.—Pupils are accepted of all school ages; and after examination will be placed in the grade for which they are best fitted. The Junior School pursues such duties as Arithmetic, Geometry, Reading and Literature, Writing, Spelling, Composition, History, Geography, Nature Study, Drawing, Deportment, Physical Culture and Scripture.

Page Sixteen

Temporarily located in Assiniboia Hall, Edmonton.

FIRST YEAR

I. ENGLISH-

- 1. Literature. In studying the selections prescribed an effort will be made to inculcate a taste for good literature and develop a capacity for the interpretation of ordinary passages. Choice selections will be memorized and recited.
- 2. Composition. Structure of sentences, the essentials of a good paragraph, use of capitals, choice of words, letter writing.
- 3. Grammar. The function and relation of words in a sentence, phrases, clauses, and sentences; analysis of simple sentences.
- 4. Spelling. Words in common use, dictation, use of a dictionary.

II. MATHEMATICS—

Arithmetic. Mastery of the tables, rapid calculation, public school arithmetic up to problems dealing with weights and measures, square measure, compound rules, easy mensuration, practical measuring of surfaces.

III. HISTORY AND CIVICS-

Talks on the beginning of Canadian History, with special attention to Western Canada.

IV. GEOGRAPHY AND NATURE STUDY—

Forms of land and water, the earth as a whole, plants and trees of the locality.

- V. PENMANSHIP AND DRAWING-
- VI. SRIPTURE.
 - 1. Memorization.
 - (1). The Books of the Bible.

Page Seventeen

Temporarily located in Assiniboia Hall, Edmonton.

(2). The Ten Commandments.

(3). The Shepherd Psalm, Ps. 23.(4). The Beatitudes. Matt. 5:1-12.

(5). The Lambs of the Flock, Mk. 10:13-16.

Conservatory of Music

Miss Helen L. Bowker, L.A.B., Directress

Music is recognized as an important branch of education and the facilities afforded by the College for its cultivation are

of the most thorough character.

The Music Department offers the best of individual instruction in Piano, Voice Culture and Violin, as well as class-work in Rudiments, History of Music, Harmony, Counterpoint and Class Singing. The object of this department is to give a thorough training along these lines and to cultivate in all students an appreciation for the highest and best in Musical Art.

The Staff is composed of thoroughly trained artists who

are also experienced teachers.

I. THE PIANO

Miss Helen L. Bowker.

The Pianoforte being the instrument selected by the majority of our students, it is our special endeavor to make the instruction in this branch of music as attractive and complete as possible. Individual practice rooms are provided in which are found high grade instruments. Practice is conducted under supervision. In order that students may gain confidence in public appearance, an opportunity is given them to play at the fortnightly literary meetings, and at the recitals held at intervals.

In the Pianoforte department, pupils are prepared for examinations under the McGill University Conservatorium of Music, the Associated Board, or the Toronto Conservatory. Full particulars as to requirements for candidates preparing for any of these examinations will be found in the current

syllabus of each of these examining boards.

Temporarily located in Assiniboia Hall, Edmonton.

II. VIOLIN

Mr. J. C. Switzer.

The Course in Violin consists of systematic grading of technical work; largely based upon the Seveik principle of teaching. The course comprises scales, sight-reading, eartests, and prepared work, as outlined in the McGill Conservatorium Syllabus. Attention will be given to posture, bowing and fingering, accuracy of notes and rests, tone-production, intonation, including tuning, rhythm, phrasing, accent, etc.

III. VOICE

Madam Bessie Evans Duggan, R.A.M.

Elementary and advanced exercises for correct tone placing and breathing, and careful development of the singing voice. Special study in the pure Italian method of voice training with particular attention for purity, quality and flexibility in voice production.

College of Arts and Crafts

Mr. William Johnstone, Director.
Miss Nellie Brown

At present two separate courses in Art are offered. The first is a course in drawing given in connection with the regular academic course. This is intended to train the eye to appreciate the beauty of line and form and to give mechanical skill in the use of the pencil.

The second is a course in China painting, painting in oils and in water color. Students are taught the appreciation of harmonious color combinations and facility in the use of these

mediums.

Temporarily located in Assiniboia Hall, Edmonton.

Commercial Bepartment

Miss C. A. Cooke, Directress.

The course in Commercial Work is thoroughly practical, and designed to prepare girls for actual business life. The student may take a complete Commercial Course or a Partial Course.

The complete Commercial Course covers work in the following subjects, for which a Commercial Diploma is given: Shorthand, Typewriting, Writing, Spelling, English Literature, English Composition, Bookkeeping, Commercial Law, Commercial Arithmetic, and Office System, including Methods of Filing.

The Partial Course covers work in the first six subjects named in the Complete Course. A Shorthand Diploma is given for successful work in these subjects.

Shorthand—Isaac Pitman's and the Rowe System are used and students are required to develop speed and accuracy.

Typewriting—The touch System is taught.

Writing—The aim in the teaching of writing is to develop a free, rapid and legible hand.

Spelling—A Commercial Spelling Text is used as well as words in ordinary use.

English Literature—This is required of all Commercial students in order to familiarize them in the use of the best English.

English Composition—Particular attention is paid to the formation, paragraphing and punctuation of business letters, papers, telegrams, legal documents, etc.

Bookkeeping.—The Rowe system of practical Bookkeeping is followed.

Page Thirty

Temporarily located in Assiniboia Hall, Edmonton.

Commercial Law—This covers a course in the practical points of Promisory Notes, Cheques, Drafts, Contracts, Corporations, Banking, Wills, Mortgages, Deeds, Tenancy, etc.

Commercial Arithmetic— Rapid Calculation, Accuracy, and problems bearing on commercial transactions, such as Commission and Brokage, Interest, Discount, Insurance, Exchange, etc.

Office System—The most recent methods of Filing, Mimeographing, etc.

ENTRANCE REQUIREMENTS FOR COMMERCIAL STUDENTS

All students should have a good foundation in English Composition, Spelling and Arithmetic. Unless they have a good preparatory education in these essentials, they cannot expect to obtain a diploma in the usual time.

This course completely fills the time-table of every Commercial student enrolled in the course, and no student will be allowed to take work in other courses on the College Curriculum except with the consent of the Lady Principal and the Directress of the Commercial Department.

School of Expression and Physical Culture

Miss Christine Fabb, Directress.

The course provides thorough work in Voice Culture, Interpretation, Gesture and Dramatic Action, to "make the body the willing servant of the soul." The aim is to secure purity of tone, correct methods of breathing, removal of speech defects, together with grace, ease and effectiveness of

Temporarily located in Assiniboia Hall, Edmonton.

expression, whether in conversation, reading or public address.

In Physical Culture, our motto is "Mens sana, in sano corpore." The health of our students is considered of first importance, and all our arrangements are to the end that those educated at Alberta Ladies College become physically well-developed, vigorous and graceful women. Abundant time is given to both indoor and outdoor exercises. The spacious grounds afford ample room for basketball, tennis, skating, and other outdoor athletics. The gymnasium is well equipped for a variety of exercises.

A Word to Parents

Too great care cannot be exercised in selecting a school to which to send your daughter. Habits are formed, impressions received and a bent given that persists through life. Each school has some special claim. It is as important to the school as to the patron that there should be no mistake in making choice of school.

Having made choice it is important to remember that the school can render best service only by reasonable per-

manency of relationship.

It is a great mistake to rush through College. Maturity of judgment comes only with age. No girl can make two years' mental growth in one. Too many studies at once lead only to confusion of the mind. Encourage your daughter to take a definite course that leads to graduation.

lt is not wise to indulge extravagant ideas of dress and the College insists on simplicity and modesty in these matters.

It is wise to give the officers of the school some discretion in directing your daughter to use special opportunities for attendance upon lectures, concerts and college functions. Some diffident natures need such experience and constraint.

As the object of education is the highest development

of every power of the being, it becomes, therefore, an imperative duty that the student continue her work, if at all possible, until she realizes the best of which she is capable.

The formation of good habits during girlhood is of the utmost importance. Promptness and punctuality are bases of character and prime elements of success in life. Parents are earnestly requested to co-operate with the College in the cultivation of these as fixed habits in the life of their daughters. To this end they should sternly refuse to prolong the time set for vacation. Let parents as a duty and a kindness to their daughter and as a consideration to the school, see to it that they return to their work promptly and punctually on the day appointed.

SPECIAL NOTICE — Check students' baggage to Strathcona. If notice be sent to the College in advance, stating date and train and time of arrival students will be met at the station.

Schedule of Rees

The College year consists of four terms of approximately ten weeks each, as follows:

Autumn Term—September 10th to November 16th. Winter Term—November 19th to February 1st. Spring Term—February 3rd to Easter.

Summer Term—Easter to June Closing.

All fees are payable for a term strictly in advance. A reduction of 10% is allowed to ministers' families.

Ten per cent per annum will be charged on all overdue accounts.

Make all cheques payable at par at Edmonton, Alberta. A rebate of 5 % is allowed where two or more members of the same family attend the College at the same time.

Pupils before discontinuing any course of study must se-

Page Thirty-three

Temporarily located in Assiniboia Hall, Edmonton.

cure written consent of parent or guardian, and give one month's notice in writing to the office.

No deduction will be made for absence from lessons, unless caused by illness and then only if for a longer period than three weeks at one time.

Students will be admitted to the College at any time on the payment of fees for the unexpired portion of the term entered and the next term, providing there be room.

Patrons who withdraw pupils for any other reason than protracted illness of the pupils themselves will be required to give a month's notice in writing otherwise the fees for the month must be paid.

When a physician certifies that the illness is the cause of absence for more than three weeks, one-half the usual

fees will be rebated.

Application Fee of \$10.00 must be enclosed with application for admission. This amount is credited to the student's account and allowed off the amount of first payment on fees. In the event of a student failing to attend, this fee is taken into the funds of the College, unless due notice shall have been received ten days previous to the opening of College that the candidate is unable to attend.

All resident students must deposit \$25.00 for contingent expenses such as books and other supplies. In the event of there being a surplus at the end of the year the same will be

refunded.

Parents, desirous of their daughters obtaining money from the College office, are kindly requested to make a written statement of the amount so to be given, and also to deposit funds with the College to cover this item. The College recommends that the weekly allowance be not large. Parents failing to indicate an amount as a weekly allowance are understood as entrusting the matter to the discretion of the College authorities and endorsing the amounts so given.

Form of Bequest

The following form of bequest is offered to the friends of Christian Education, who desire to set aside a portion of their estate for this worthy cause, in Western Canada.

If the bequest be in the form of Real Estate the following bequest may be used:

"I give, devise and bequeath to the Board of Governors of Alberta Ladies College of Red Deer, incorporated, the following lands, namely

(Here insert legal description of Property.)

for the endowment of said institution or such other purposes as the Board of Governors, duly constituted may determine."

Temporarily located in Assiniboia Hall, Edmonton.

The College and the Church

At London and within St. Andrew's Church there on Thursday, June 13th, 1918, at which time and place the General Assembly met and was constituted.

Inter alia,—An overture from the Synod of Alberta respecting Alberta Ladies College, (formerly of Red Deer) was presented by President N. D. Keith. Thereupon the following resolution was moved by Rev. Principal MacKay, D.D., Vancouver, seconded by Rev. Jos. McCay, Victoria, and adopted by the Assembly.

"The General Assembly receives the overture of the Synod of Alberta, respecting Alberta Ladies College of Red Deer; records its gratification at the progress being made in this institution, dedicated to the cause of the Christian Education of the girls and young women of Western Canada, and grants the prayer of the Overture to bring the College under the authority and control of the Presbyterian Church in Canada. It further approves of the appointments made by the last Synod of Alberta of the members of the Board of Governors of the College."

The fact that a girl is admitted to the College is taken to imply a guarantee of compliance with all the College regulations.

All fees are payable strictly in advance.

A term's notice in writing is required from parent or guardian before the withdrawal of a student whether she be Boarder or Day Student. Without this notice a term's fees must be paid.

No reduction of fees is made for withdrawai or absence of a student except in cases of prolonged illness of a resident student. When a physician certifies that the illness is the cause of absence for more than three weeks, one half of the usual fees will be remitted. If the student be absent less than three weeks no reduction will be made.

I hereby agree that the terms, conditions and regulations contained in the current Calendar are a part of the contract between myself and Alberta Ladies College, of Red Deer.

Signature of Parent or Guardian.

NOTE.-Rooms reserved in order of application.
